The Desert Land Law gives them a chance to obtain for a song, without residence and without cultivation, three hundred and twenty acres of the richest soil on earth-enough for sixteen families. The commutation clause of the Homestead CONTRACTOR Law gives them a chance to take up one hundred and sixty acres, but the barest retence of residence, and that for only ourteen months. The Timber and Stone let enables them to acquire forests and marries for a baretelle and to hold them for speculative advances.

Frank Stockton left the hero of his famous tale hesitating before two doors. If he opened one, it meant life and happiness; if the other, death. And the question was never answered- The Lady or

the Tiger?" Uncle Sam stands at the door of the arid region. His foot is on the threshold. his hand is at the latch. Shall it be the homemaker or the spec-

ulator? Shall it he life and happiness for millions, or a riot and a carnival of speculation at the expense of the people? There is but one way to answer the question in the interest of the nation's provisions of the existing land laws, in of committing suicide. As no particulary encaregement at than Francisco left here accordance with the President's recom-

PAPA-Oh, what a pain! I believe I have a fever in the heart. MAMMA-Nonsense, it isn't your heart, it's your stomach. Every time you est, his hot weather, you get a sour stomach full of hot gases and solds, and you swell up until your heart hardly has room to beat. If you were not so obstinste, you'd take my sovice and keep your insides cool by taking a CASCARET Sandy Cathartic every night before going to bed. They work while you sleep and keep you regular in the hottest weather.
